Community Commitment

Mark your calendars for Pay it Forward's annual Community Commitment, which will be held on Saturday, August 26! Community Commitment is a day dedicated to making a positive impact in our local community through various volunteering activities. It is an event that brings together students, faculty, and staff from all departments and organizations on campus, fostering a sense of unity, compassion, and social responsibility.

During Community Commitment, students will have the opportunity to engage in meaningful projects that address the needs of our community, ranging from environmental initiatives to social welfare programs. By participating, your student can make a tangible difference in the lives of those in need while building lasting connections with their peers.

Individual registration is walk-up on the day of the event and begins at 8:30 AM on August 26th in the Ohio Union; otherwise, only group registrations are currently being accepted! For groups of 5 or more, preregistration is available. Preregistration allows us to do our best to ensure that your group is able to serve all together. Groups can register here: go.osu.edu/ccgroup23.

If you have any questions or require further information, please do not hesitate to contact Julie Schnell at schnell.60@osu.edu. We look forward to seeing your student at Community Commitment on August 26!
