## Parent and Family Roundtable

Ohio State is an inclusive and supportive community that values diversity in people and ideas. Our Parent and Family Roundtable brings together a standing group of families to create opportunities for regular, ongoing dialogue focused on the holistic student experience including but not limited to health, safety, wellness, inclusion and belonging. The Roundtable is comprised of 20-25 families (one to two parents or family members per invitation) and we ask participants to commit to monthly, 90-minute virtual meetings beginning in September 2023. The first meeting will be held in person (with a virtual option) on September 10. Roundtable participants serve up to a two year term.

Additional details will be shared with selected families about the meeting schedule and requirements. Should you have questions, please contact our Parent and Family Office at 614-292-

## Community Crime Map

The Community Crime Map consists of statistics from the Columbus Division of Police (CPD) and shows off-campus crime reports. Ohio State has pre-programmed the map to a one-mile radius, to include the three major crime categories of aggravated assault, residential burglary and robbery of an individual from the most recent 30-day period. Additional features available include the ability to

- Turn on additional crime categories
- Access months or years of data
- See heat maps and trends including time of day
- Sign up for crime alerts (daily, weekly or monthly)
- Enter your own, personal home address to set up tailored alerts

On-campus crimes are not shown on the offcampus map but can be accessed via the Department of Public Safety's [daily crime log](#).
