June is LGBTQ Pride Month

Lesbian, Gay, Bisexual, Transgender and Queer (LGBTQ) Pride Month is currently celebrated each year in the month of June to honor the 1969 Stonewall Uprising in Manhattan. The Stonewall Uprising was a tipping point for the Gay Liberation Movement in the United States.

In major cities across the nation the “day” soon grew to encompass a month-long series of events. Today, celebrations include pride parades, picnics, parties, workshops, symposia and concerts, and LGBTQ Pride Month events attract millions of participants around the world.

In celebration of LGBTQ Pride Month, the Student Life Multicultural Center is partnering with colleges and departments across campus for two events, including the Pride Brunch (Friday, June 17) and Pride March (Saturday, June 18). Details regarding registration for these events, as well as more information about events on campus and around Columbus, can be found by clicking the link below.
