2023-2024 Student Parking Permits

Student parking permits for the 2023-2024 permit year go on sale beginning Monday, June 26.

Students planning to commute to campus during the 2023-2024 academic year should begin comparing permits to determine which permit type best fits their needs. Permits do not automatically renew, so if your student purchased a permit last year, they will need to purchase a new permit. The permit term begins on Aug. 1.

You can find a full list of parking permits, pricing and parking locations by clicking the link below.
