## BuckeyeThon: Make Miracles

BuckeyeThon is the largest student run philanthropy in the state of Ohio which

raises funds and awareness for the Hematology, Oncology and Bone & Marrow Transplant Unit at Nationwide Children's Hospital.

Students who support this organization work year-round to support the families and kids being treated at the hospital both emotionally and financially. As a program of the Office of Student Life at The Ohio State University, BuckeyeThon engages thousands of students annually, fostering a spirit of philanthropy and uniting the Ohio State community.

Is your student interested in participating in this year's Dance Marathon, held at the Ohio Union on Friday, November 4 and Saturday, November 5? The last day to register for the Dance Marathon is this Friday, September 23. You can find more information about BuckeyeThon and the Dance Marathon by clicking the link below.

Why not set them up for success right away by encouraging them to take a Libraries First Year Success Series workshop? Participants will learn how to navigate library resources, meet people who can answer questions throughout their college careers, reduce academic stress and more.
